

- > Add your background colors and graphics within the **INSIDE RECTANGLE**. **NO COLOR** bleeds to the outside rectangle
- > The text and information listed is for guidelines. Please adjust accordingly to meet the specifications of your own product.
- > Our graphics team will add white behind the entire print area, unless you specify other wise.
- > Remember, this is only a guide. As long as the Art Area and Cut Area guides stay in place, you can do what you want.
- > Prints on Clear Shrink Label Material.

This template is based on the standard 8.4oz can size that measures exactly 167mm circumference x 132mm height (like the RedBull® can)  
 If you have any doubt about the size of your can, please feel free to send us a sample and we can size it for you.

**Proof Key**  
 □ Deline (Does Not Print)

**DESIGNERS (FYI):**

- 1.) Artwork goes in the **INSIDE** rectangle (not the outside)
- 2.) Build all small text that is in black as 100% Black, **NOT CMYK**, so that it prints cleanly and does not have registration concerns.
- 3.) Keep all text at least 2mm from left and right side of artwork rectangle ends. The art area overlaps by 1mm when seamed.
